

Nurturing Nurses and Beside the Seaside

SMART IDEAS

DT

Discuss food groups, look at sugar content of items in the cupboard, enjoy preparing and eating meals as a family.

English

Lots of READING!

Reading Eggs, writing stories, telling stories, making up stories.

History

Find out about famous nurses in history.

Geography

Learn to use a map, understand compass directions and name the four countries in the UK and their capital cities.

Maths

Magical maths challenges, Doodlemaths, counting games.

Telling the time and counting money are the most helpful things you can teach your children at home.

RE

Visit different churches in the area and compare the images of Jesus displayed in the churches.

Science

Go on nature walks, look for signs of spring, identify different trees by their leaves, look for birds nesting.

Music

Sing songs, nursery rhymes, compose tunes, write your own songs.

Computing

Discuss the importance of not talking to strangers on games on the internet. People who play the same games are not 'friends' if you have never met them.
