Dear Parent/Carer

Don't let your child miss out on school milk after their 5th birthday

Whilst your child is under 5, we arrange for them to receive free milk at school, funded by the UK Government's Nursery Milk Scheme.

When your child turns 5, you have the option to pay for their milk to continue - we have made arrangements with the UK's leading school milk supplier, Cool Milk, to supply milk at a subsidised cost of just 22p per day. Although some of your children have already turned 5, we have managed to continue with the milk supply until now, but will no longer be able to do so. If you would like them to continue receiving milk, please:

Visit www.coolmilk.com as soon as possible and select "Register your child for milk here", then follow the on-screen instructions to register and pay

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It's also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Should you have any queries regarding your child's registration or milk supply in general, please do not hesitate to contact Cool Milk directly at customerservices@coolmilk.com.

Yours faithfully

Claire Jackman
