Dear Parents

Isle of Wight Residential: IMPORTANT INFORMATION CHANGE

Yesterday, the Isle of Wight Experience contacted us to say that the hotel we were due to stay in has closed down unexpectedly. The company were very busy trying to re-schedule trips for all the schools booked at the hotel for the academic year.

Thankfully, we have been found an alternative hotel in the next town along the beach, Shanklin, so we are pleased to say we will still be able to have our amazing trip BUT the dates have now changed. **We will now be travelling from Monday 2nd - Friday 6th July 2018.** The hotel is much bigger and we will be sharing our accommodation with Great Bardfield School (who have also had to change their dates because of us) but we will be using different corridors of the hotel so we will be able to remain a little separate.

The owner of the Isle of Wight experience explained that the new hotel - Curraghmore - is one they have been using for many years and is sure we will find the owners as accommodating as Mike and Terri have been for us over the last few years. Miss Jackman and I are planning on visiting in the Easter holidays so we can be sure of its location, proximity to the beach and meet the owners etc. We are very lucky to have stayed in the same hotel for so many years - lots of schools change each time they go - so I am sure we will have an excellent trip as always. Our itinerary may be swapped round a bit, but the activities in the week will remain the same (just on different days) so when all this information has been confirmed, we will send it out to you.

If you have any questions or concerns please pop in and see me or send me an email.

Kindest regards,

Miss Miles
