### Junk Orchestra Workshops

Dear Parents/Carers

We have arranged a visit from Saul the Junk Orchestra man on our first day back after Christmas. The Junk Orchestra is formed from a collection of sonic objects rescued from the urban wasteland - recycled and tuned in a pentatonic scale.

The day will consist of workshops for each class and the children will be conducted in bands composing both soundscape and rhythm.

We would like to ask for a small contribution of £3.75 from each child to help cover the cost of the day. This has been set up on Schnappy, under 'Events' (register your child/children and this will put the amount available for payment).

I'm sure the children will have an amazing first day back and enjoy telling you all about it! Please send them in uniform as normal.

Yours faithfully
