### **KS2 - Plasticology Workshops - Essex Wildlife Trust**

Dear Parents/Carers

As I'm sure you are aware, our School Parliament's global focus is around helping us reduce the amount of plastic that ends up in landfill and ultimately our oceans. To support our work in this, Key Stage 2 will be having class workshops led by the Essex Wildlife Trust on Friday 18<sup>th</sup> January 2019. I know that this is something that is close to many hearts, so if you'd like to join your child in their workshop, please get in touch.

We would like to ask for a small contribution of £2.50 from each child to help cover the cost of the day. This has been set up on Schnappy, under 'Events' (register your child/children and this will put the amount available for payment).

I am sure the children will learn a great deal to help make a difference to our planet.

Yours faithfully

*Claire Jackman*
