

“Away in a Manger”

Dear Parents/Carers,

The Reception and KS1 Christmas nativity will soon be upon us and with only four weeks to go, we wanted to give you enough notice to prepare costumes for your wonderful performers!

If your child is in Reception, they are going to be angels and will need to be provided with an angel costume. If your child is in Year 1 they are going to be sheep and will need to be provided with a sheep costume.

If your child is in year 2, please can they dress accordingly for their part in the play - narrators will need to be dressed in formal/smart wear. The Year 2 scripts were sent home last week but if you are unsure of your child's part in the play please contact Miss Wilson.

We also have a box of spare nativity clothing to browse through in school if you would like help with your child's costume - feel free to come in and have a look!

Please could you send your child's clothes in a clearly named carrier bag and ensure all items inside the bag are named too. We would like these to be brought in on Friday 29th November please (or earlier) and will keep them in school until the end of all the performances.

Thank you for your help, if you have any questions - please pop in and ask!

Miss Wilson, Mrs Delaney and Mrs Lawrence
