

Dear Parents/Carers

Road Safety Presentation

You are invited to attend a Road Safety presentation delivered by the Safer Essex Roads Partnership, together with your reception class child.

The date of the session is Wednesday 6th November 2019, 9:00am at your school.

This is an informative 40-minute indoor presentation for both parents/carers and their children.

We hope that you can attend with your child as it is important that parents/carers are here to see the presentation, so that the key messages can be continually reinforced by yourself afterwards. To ensure that we cascade this important information, we need a minimum of 10 parents/carers to attend each session. If you cannot attend, you can nominate a close family member to come in your place.

We look forward to meeting you all on the above date.

Yours sincerely

Safer Essex Roads Partnership Education Team
