Dear Parent/Carer

Year 4/5 - Miss Miles' Class - Trip to Cambridge Science Centre - Thursday 30th January 2020

We have an exciting trip planned to the Cambridge Science Centre to discover that it takes a whole galaxy of people to send an astronaut into space - from scientists to mission controllers and from doctors to engineers. The children will find out what it's like to work in the space industry - preparing the next generation of inter-galactic adventurers!

Children will need a **packed lunch** for this day - no glass bottles and **NO NUTS**

We will be travelling by coach, leaving school at 8:50am (so children must be on the playground ready to come into school promptly at 8:40am) and returning in time for normal home-time arrangements.

Please complete and return the permission slip below/consent via Schnappy, along with your voluntary contributions of £18.50 per child/payment via Schnappy under 'Events'.

Yours sincerely

Holly Miles

Miss Miles
